**CAMPERS:** The FSU Winter Instructional Camp will be both instructional and informative for all levels of players who wish to improve their skills. Along with improving your baseball skills, campers will have the opportunity to work with and learn from college coaches. The camps will further the players skill level to enhance their ability to play the game and have fun.

**Camp Director: Head Coach Guy Robertson**

Coach Robertson is in his third season as the head coach of the Frostburg State baseball program and 12th coach in the program's 64-year history.

Last season, Robertson led FSU to a 25-16 overall record and 15-3 record in the AMCC. Frostburg State, who captured second in the AMCC regular season, had six players named to the AMCC All-Conference teams. In addition, two players were also selected to the ECAC All-Star second team.

In 2008, he led the Bobcats to their 25th-straight 20-plus win season as FSU went 22-14 overall, while finishing second in the AMCC with a 14-4 record. After just a 3-9 start, Robertson got his team on the right track as the Bobcats rebounded to win the next nine games and finish the season with 19 wins in their final 25 contests. Frostburg State, which advanced to the AMCC Tournament for the 11th-consecutive season, placed five players on the All-AMCC teams.

Robertson served as the head coach at NCAA Division I Coppin State from 2002 through 2006. He is the all-time leader in winning percentage, second all-time in both CSU wins (64) and MEAC wins (30). He also holds the school record for victories in a single-season (21). In 2005, he was selected as the MEAC Coach of the Year after posting a 10-7 league record.

He has coached camps for the University of Maryland, William and Mary, Naval Academy, Robert Clemente Baseball Camp and has helped with the Baseball Weekly Instructional Series.
